ASSISTANT PRINCIPAL REPORT PART 1

Farewell Steve.

After 12 years of living and breathing everything Warranwood Primary School Steve will finish as principal on Friday and commence a new stage of his life. He arrived at Warranwood after our school had experienced a significant amount of time without a permanent leader. Steve's appointment as principal helped our community settle and reset our goals and direction. He went about building relationships with students, staff and families and always held himself to the highest of standards. He has challenged staff to embrace teaching approaches to best meet the needs of students and supported our vision for developing the whole child.

His leadership oversaw the construction of our wonderful synthetic surface courts, Senior School facility and his vision ensured the integration of technologies into student learning in realistic and appropriate ways. At all times, Steve advocated for student learning as the number one focus for everything staff and community aspired. He is a believer of giving things a go and taking a risk and has encouraged staff to push themselves and develop their leadership and passions within the education sector.

For those that know Steve he is a system thinker and has been a leader of school network groups and led regional school leadership panels to ensure students in government schools receive a quality educational experience no matter what school they attend. His desire to impact every student and make their school experience the best it can be is why he will be greatly missed.

It is pleasing to be able to say that Steve has also gained a great deal from his time at Warranwood. Many friendships from staff and community will remain despite his absence from the yard! Personally, I am pleased to be able to report that it has taken 12 years, however Steve has begun to embrace and utilise sporting vernacular in his conversations. He has even started to understand and tune into scores and water cooler conversations about football and cricket. It is for this reason that I really feel he has decided to jump into the new stage of his life. The thought that he can discuss every sport intuitively has meant it's time to head back to the safety of his love of art, fine red wines, cooking, music and travel interests.

Everyone at Warranwood wishes you all the very best in retirement Steve and thanks you for your amazing commitment and dedication to education and our community. You can be sure that your legacy, in particular the quality relationships will continue as a priority for what matters in young people.

Congratulations and thank you!

Shane & Warranwood PS

PRINCIPAL REPORT
FAREWELL

Where do I start? There have been so many thoughts and emotions flowing over the last few weeks. When I started teaching some 40 years ago, I had no perception of what I would end up doing, and how much it would all mean to me and how the job would define me so much. The thing I never realised back then in the 70s was how much relationships and people would influence me, and how important they are in a successful career or in the management of an effective school. I have spent more time at Warranwood than any other school, and the connections I have made in this school community and in the wider educational community have been so important to me.

I am leaving at a great time – not only do I love my job, but the school is flourishing. So many fine programs are embedded and many new things are in the pipeline. To have events like the River of Voices and the Lilyvale visit and musicals all happening in my last term has just been fantastic. These events really light up a school and make it an exciting place to be! I have been so proud to lead the school for all these years. I know that when I leave the wonderful staff (teachers and support staff) will continue to develop, extend and create many new and wonderful things!

So, thank you to everyone in the community for their friendship, trust, humour and warmth. This includes staff, parents and community of course, but most of all the students. Of course they are the reason we are all here together, however the joy and openness and humour of the children of Warranwood have made my job so much fun!!

I will miss so much, but look forward to so much!

Steve

I am very pleased to report that Shane Harrop will be Principal until the end of the year, and Yvonne Reid and Alison McMenamin will be sharing the Assistant Principal role. The school is in good hands!

ASSISTANT PRINCIPAL REPORT PART 2

Wacky Wednesday
Rain couldn't dampen the amazing enthusiasm and sense of fun by our students yesterday at our Wacky Wednesday student market day. Students fully engaged in the range of used toys, activity centres and food shops. The sense of fun and adventure is a great experience and always plays a key role in students' best memories of their Year 5 and 6 time. Each year the SRC consults their peers and comes up with a plan to purchase something for the school. Previous Wacky Wednesday fund raisers have provided the Ga-Ga ball pit, Netbook Computers, new playground equipment and library furniture. Stay tuned for this year's special decision and purchase.

2018 Planning – Student Enrolments

Just a reminder following on from last week's newsletter. If you know that you will be moving next year and your children won't be attending WPS, please inform our office staff as soon as possible to assist us with our planning for 2018.

Likewise, if you have a child who is starting school next year and you haven't yet enrolled for our 2018 Foundation classes, please do so as soon as possible to assist with our planning and preparations.

Enrolments for 2018 are starting to really take off and the School would like to have firm numbers by the end of this term (22 September). If there are any parents out there who still need to enrol their child, please do so ASAP. Additionally, if anyone is aware of a child that is eligible to start in 2018, and hasn't yet been enrolled, please let their parents know that this needs to be done now.

2017 Woolworths Earn & Learn Program—26 July to 19 September

We are excited to be taking part in the 2017 Woolworths Earn & Learn program. During the previous campaign, we were able to purchase some great resources with the points we earned, thanks to you. Collect your sticks at Woolworths and for every $10 you spend (excluding the purchase of tobacco, liquor and gift cards), you will receive a sticker. Your children can then place them on the special sticker sheet. Once completed, bring it to school to pop it in the box in the foyer of the Office.\ The more points we earn, the more we can redeem from a choice of over 10,000 educational resources including mathematics and English resources, art & crafts materials and much, much more!

We are grateful for your support and look forward to a successful program. If you require more sticker sheets, please collect from the Office.

JAPANESE ASSISTANT TEACHER PROGRAM
WE NEED HOST FAMILIES FOR TERM 4

Mayumi Sensei will arrive next term and stay until the end of this year. She has been a manga (comic) artist in Japan for 10 years! She describes herself as:

" bright, cooperative, and friendly. I'm motivated and I like to challenge myself to new things. I have imagination, a mild nature and lots of friends all around the world. I have conversational English skills"

As you will already know our Japanese Assistant Teacher program is an extremely important part of the Japanese language program. We have hosted more than ten assistant teachers over the last eight years. The Japanese assistants are usually university students who travel from Japan to volunteer their time assisting with Japanese language at an Australian school. The assistants we have had in the past have always built excellent relationships with the students, and spent much of their time helping teach songs, traditional Japanese crafts, hiragana activities, reading, writing and speaking skills to your child/children.

We rely on the school community's wonderful support to host these generous Japanese assistant teachers and this **term we are asking you to consider this program for your family.**

What does it involve?
The assistant teachers are usually aged between 20-30 years. They are keen to learn about the Australian way of life and improve their English skills while supporting our Japanese program at Warranwood. Host families need to provide a private bedroom, transportation to and from school and 3 meals per day. The assistant teacher will contribute $400 per month towards their living costs. Hosting a Japanese assistant has many benefits. Your family will experience first hand knowledge of Japan, its language, culture and people.

I am asking for expressions of interest from families who would be willing to host Mayumi Sensei from October. If you have any questions about the program or would like to talk to a family who have been involved in hosting before, please contact me.
